

**Oregon Association of School Business Officials
Associate Membership Form**

Dues: \$75 annually
Dues year: January - December

The Oregon Association of School Business Officials Board of Directors and Associate Membership Committee invite you to join in our efforts to further develop school business management in Oregon through a continuing program of education and action. As a team we can accomplish what cannot be done as individuals.

What is OASBO?

The Oregon Association of School Business Officials is a professional association of business managers, deputy clerks, finance directors, assistant superintendents, facility directors, food service managers and other school business personnel. OASBO members manage school business areas such as financial services, investments, insurance, purchasing, maintenance and operation of school facilities, transportation, data processing and food service.

As an Associate Member you receive:

- Your company name and contact information listed in our annual Member Directory;
- One set of mailing labels of all active business official members (upon request);
- Inclusion in the OASBO Listserv (upon request);
- An opportunity for early registration to attend our Summer Conference;
- Discounted registration fees; and
- An opportunity to attend regional zone meetings.
